Caleb: http://conservatives4palin.com/2011/06/so-whos-going-to-pella-iowa-on-tuesday-without-an-invitation-to-see-the-undefeated.html
me: I'm thinking of going to Pella to show my support
me: I don't have a ticket to see the movie
me: but I want to show my support by going to Pella
me: "I hope Palin takes the opportunity to shred the lies the Islamophile will no doubt be spreading in his gasbag speech in Iowa on Tuesday."
me: who's that?
Caleb: I don't know.
Caleb: Anyone from Obama to Bachmann.
me: probably Bachmann
me: the Islamic media loves Bachmann for her pro-Islamic views
me: notice how Bachmann is always bashing Christianity but never her precious Islam
Caleb: They seem to have some misconception that Bachmann's going to announce her candidacy tomorrow.
Caleb: Despite the fact that she clearly, publicly announced during the CNN debate a few days ago.
me: "maybe they want a big crowd there because she is going to announce "
me: "That will just drive the media crazy. SP announcing the day after MB? Heads will be exploding. "
me: the media will be upset
Caleb: The media hates headline-generating events.
me: more than that
me: they desperately want to see Bachmann win the presidency
me: or, rather
me: they want her to win the Republican primary
me: because they know she will lose
me: whereas Palin will
me: I'm going to leave a comment
Caleb: You have my consent.
Caleb: http://www.nytimes.com/2011/06/27/nyregion/at-gay-pride-parade-cuomo-is-center-of-attention.html?_r=1
me: jesus
me: why is that allowed?
me: and what's the point of the lead?
me: that's the most ill-conceived thing I've seen today
me: "It would be incredibly funny if all of Iowa was sunny/mild except Bettendorf, Iowa where

it was very windy and pouring rain on Tuesday..... "
Caleb: .....?
me: c4palin comment
me: oh
me: I mean
me: it would be incredibly funny
me: .....
me: also
me: was just inspired to check in on ol Red State for the first time in 8 months
me: "ObaMao And The National Security Deficit. by Skip MacLure"
Caleb: Call me 'Skip' from now on.
me: I need to see some squaring off between Bachmann and Palin supporters
Caleb: Exgunman ... On Monday Mrs. Bachmann MAY get rained on, but she will DEFINITELY get rained on Tuesday.

It won't be long before she is RAINED OUT.
me: seriously
me: what are the Palin supporters using as justification for opposing Bachmann?
me: I have to know this
me: oh, this is good, too
me: http://www.redstate.com/romney4prez/2011/06/26/rick-perry-is-george-w-bush-2-0/
me: see you finally crawled out from under your rock.
me: I also see that you think Perry is a real threat to your boy Romney,
so you have to try to tear him down.
You fell into to the “not another Govenor from Texas” lefty lame claim.
Caleb: Mrs. Palin is an extraordinary person. She is not caught up in the self-aggrandizement of other run-of-the-mill politicos.
Caleb: Right, right.
Caleb: I imagine they're upset with Bachmann because of the Ed Rollins thing.
me: how now?
Caleb: http://conservatives4palin.com/tag/ed-rollins
Caleb: Found it.
Caleb: Ed Rollins publicly discounted Palin's credentials.
Caleb: He's working for Bachmann now.
Caleb: Took a lot of flak and had to eat his words.
Caleb: That's why she's Michelle Backstabbin.
me: wait
me: he's on staff with Bachmann?
me: or he's working for her in the sense that he's not working for her at all but rather didn't attack her in service to Palin?
Caleb: Campaign manager.
me: wow

me: that's odd
Caleb: Yeah, it kinda seems like he could do better.
Caleb: But he's a RINO, after all.
Caleb: That guy who ran the '84 Reagan landslide.
Caleb: Big ol' RINO.
me: time to go... RINO hunting
Caleb: Time to reflect deeply on what the nature of being a Republican actually is and how it should drive our moral and political motives.
Caleb: Kidding!
me: HA HA LET ME PUBLISH THAT
me: oh, yeah
me: Ian came over the other night
me: was telling me how Ron Paul had a strong chance this year
me: you see
me: Obama didn't bring the change he promised
me: so now people are interested in having no taxes
me: so, Ron Paul
Caleb: Here now.
me: that was pretty much the gist
Caleb: You should probably move to Austin soon.
Caleb: Or some other non-Dallas place.
me: nah, I want to vote in the local primary for Ron Paul
me: the, uh, Dallas primary
me: I hear Paul has a strong chance this year
me: also
Caleb: If he makes a strong showing in The Colony and maybe Frisco, he's a lock for that crucial North Texas sweep.
me: I notice that the Republicans are opposed to the Libya thing
Caleb: Not all of them.
Caleb: Not McCain.
me: NO SHIT
me: You know what, though?
Caleb: What?
Caleb: What?
Caleb: What?
me: I get the feeling that in many ways, although he's called a Republic...
me: a Republican
me: in many ways his Republicanism doesn't extend beyond the name
me: I'm going to write something about that
me: others should know
Caleb: He's got a bus, you know.
Caleb: Could make a nice little prop in that piece.

Caleb: I climbed a tree and am now sitting on a wall at the French Legation Museum, overlooking the peoples in the grass waiting for the movie to start. Does that make me a kitty cat?
me: THE BACKSTAB EXPRESS
me: DOES THAT MAKE ME A BACKSTABBBER?
Caleb: You backstabbb everyone.
me: please refudiate
me: here's a good diary
me: http://www.redstate.com/4richarddenapoli/2011/06/26/broward-county-commissioner-chip-lamarca-voted-best-politician/
Caleb: Well played, Chip.
Caleb: http://www.nytimes.com/slideshow/2011/06/27/us/20110627_FLOOD-3.html
Caleb: Jesus fucking god.
me: that's a great picture
me: did you see the guy there playing the violin?
Caleb: He's playing Bach.
Caleb: He was flooded out of house and home and all what was left was to play Bach.
me: but if you think about it
me: it's really symbolic of the human spirit
Caleb: I hate the human spirit!
Caleb: Don't _say_ that!!!
me: I have no respect for this fine table.
me: I'm going to put my cigar out on it.
me: Ha!
Caleb: Yes, you can.
Caleb: Si, se puede.
Caleb: TAXES!!!
me: So, money is evil, is it?
Caleb: I _HATE_ TAXES!!!!!
me: You say that greed is the world's destroyer?
me: Have you ever thought about what money is?
me: WHAT A TERRIBLE MAN
me: ALL THAT LOGIC IS ALL WELL AND GOOD
me: BUT I GO BY MY HEART
me: I AM THE WIFE OF A STOCK BROKER
me: I REPRESENT SOMETHING
Caleb: Are your boys about to go after Monsanto?
Caleb: Or is that a different regiment?
me: different regiment
me: they've been "going after" Monsanto for a while
me: and a few weeks back
me: someone announced to me that he'd taken down the Fed

me: by promoting the use of Bitcoins
me: I wish the FBI would hurry up and apprehend me
Caleb: All in due time, friend.
Caleb: All in due time.
me: If they ask me to turn over Anonymous Steel
me: I'll tell them to go to hell
me: that secret is mine
